CalChiefs FY 2019/20 Membership Invoice Instructions

(electronic fillable version available at https://calchiefs.org/join/membership)

- <u>Step 1</u> Determine your membership type/category: Chief with FTE (full-time equivalent) employees (includes all personnel sworn & non-sworn), Volunteer Chief, Retired Chief, Associate, or Additional Group.
 - A. <u>Active Member Agency Head:</u> Fire Chief, County Fire Marshal or County Fire Warden, Chief of the OES Fire and Rescue Division, Director and Unit Chiefs of CAL FIRE, Regional Forester of the US Forest Service, Region 5, President or Division Director of each recognized Section or North and South Division of each section. Active members shall be entitled to all privileges and benefits provided by the Association and all elected officers shall be selected from this group.
 - B. <u>Active Member Group:</u> The Active Member Group is for full-time members of the agency, sworn or non-sworn, from a fire service agency as identified in Section A above, whose Fire Chief, Director, or agency head is an Active Member. Group members shall be entitled to all privileges and benefits provided by the Association.
 - C. <u>Active Member Volunteer:</u> The Active Member Volunteer is for eligible members which include those from a fire service agency as identified in Section A above whose department's or district's annual budget is less than \$250,000. Volunteer members shall be entitled to all privileges and benefits provided by the Association.
 - D. Retired Member
 - E. Associate Member: Business/Vendor membership.
- **Step 2 Volunteer Chief, Retired Chief, and Associate members:** Complete the top portion of the form as appropriate, mark the membership type, calculate the total dues, and submit the completed form with payment.

<u>President or Division Director of each recognized Section or Northern or Southern Division of each section:</u>
Complete the top portion of the form as appropriate, mark Section membership, and submit the completed form with payment.

<u>Paid & Part-Paid Agency members:</u> Complete the top portion of the form with the agency information. Determine membership tier based on the total number of full-time paid personnel (FTEs) in your department. This includes all sworn and civilian personnel. The FTE number determines the Tier your department belongs in, which then determines the number of additional group members that are included in the membership dues. For example, if your FTE count is 64, your agency is a Tier 3 member. Dues are \$1,200 and the Fire Chief plus 3 Group Members are included for membership at this level. Provide the name and contact information for the Fire Chief and 3 Group Members, as shown on the membership form.

- **Step 3** If an agency wishes to add more group members than are included in their Tier, Additional Members can be added for \$120 per person. Provide the information as shown on the Add'l Member lines. There is no limit to the number of Additional Group Members that can be added.
- **Step 4** Calculate the total amount due and submit membership form with payment.

Website Renewal

The membership form can be completed online and dues can paid by credit or debit card by visiting our website at https://calchiefs.org/join/membership/. The instructions above are applicable. Please note: if paying by credit or debit card, a convenience fee of 2.9% plus .30 will be added.

There is a "Renew" selection available also. When selected, it will initially show a balance of \$0 but as you proceed forward it will require selection of the FTE agency size, input of information, and will update the proper membership dues amount for payment. To pay by credit card, you will be redirected to PayPal. You can use your PayPal account or select "Payment without a PayPal Account." Enter the credit card number and associated billing information. A copy of the payment and membership form are automatically sent to CalChiefs.

CalChiefs appreciates your continued support and membership and looks forward to your renewal for 2019/20. If you have any questions or comments, please contact us at calchiefs@calchiefs.org.
