Application:
The Aptos/La Selva Fire District is accepting applications from individuals who meet the requirements of the position. Applicants will be required to submit a District application (available on our website or at HQ office) and a detailed resume at the Administrative Headquarters located at 6934 Soquel Drive in Aptos California, no later than 1700 hours, Friday December 7th, 2018 (Postmarks not accepted).

Testing Process:
Qualified applicants will participate in an oral board and Fire Chief’s interview, tentatively scheduled for the week of December 17th, 2018. All successful candidates will be notified of date and time for the oral board and Fire Chief’s interview.

In accordance with District policy, failure to achieve 70% of any portion of the examination process shall be grounds for failure of the entire examination process.

Applicants who successfully pass the examination process shall be placed on an eligibility list based upon their final examination score.

The Fire Chief may use the rule of three in selecting the final candidate for the position from the eligibility list as outlined in the Districts Policy and Procedures Guideline Manual.
**Special Instructions:** Any prospective candidate will need to pass an extensive background investigation and physical examination.

**Minimum Requirements:** An example of the education and experience which most likely demonstrates the skills, knowledge and abilities required to perform the duties would be any combination of education equivalent to a high school education with experience in fire prevention, building inspection, public education or the building trades such as building construction, electrician or plumbing.

- Possession of a high school diploma, GED equivalency, or a high school proficiency certificate.
- Possession of a valid California driver’s license.
- California State Certified Fire Inspector I certification or equivalent.
- California State Certified Fire Inspector II certification or equivalent.
- Bachelor’s Degree in Fire Science, Management, Business, or associated field.
- Five years of full-time career experience in a paid fire department, including progressive responsibilities performing fire inspections, code enforcement, and associated prevention duties.

**Desirable Qualifications:**

- Master’s Degree in Public Administration, Business Administration, or related major.
- California State Certified Fire Marshal.
- Completion of a POST Certified PC832 training course.
- Fire Code Inspector I and II certification by the International Code Council (ICC).
- First Aid or CPR.
