Instructions for Tiered Memberships 1 through 8

These are memberships for active fire departments in California, except volunteer agencies with an annual budget of less than \$250,000. Fire Chiefs with an annual budget less than \$250,000, see “volunteer fire chief” membership instructions.

CalChiefs has moved to a new membership and event management software solution beginning with this 20/21 Fiscal Year membership drive called Wild Apricot. The new software solution will allow for a more automated tracking system for both membership and event registrations. You will no longer log into the old account you previously set up (if you had one). You will also no longer fill out the old membership invoice form. This new software change will require some new steps on your part to get set up.

Here are step-by-step instructions on either joining or renewing. Note that required fields in the software are noted with a green asterisk.

1. Go to our website www.calchiefs.org
2. Hover over “join” in the red banner near the top 1/3 of the page.
3. Click on “Membership”, which will take you to our membership application webpage.
4. Read the information contained at the top of the page carefully to understand the CalChiefs membership details. Do not click “Log into Membership” if you have not yet created an account in our new software yet. You need to create an account in the new software by completing the appropriate application for the type of membership you qualify for.
5. Scroll down towards the bottom of the webpage
6. Find the instructions for the type of membership tiered membership you qualify or for the individual membership you desire below. Follow the steps carefully for application completion and account/profile set up.
