

Instructions for Associate Membership Application

Individuals or agencies engaged in the manufacture or sale of fire service apparatus, supplies or services and others that are interested in the field of emergency fire or medical services.

CalChiefs has moved to a new membership and event management software solution beginning with this 20/21 Fiscal Year membership drive called Wild Apricot. The new software solution will allow for a more automated tracking system for both membership and event registrations. You will no longer log into the old account you previously set up (if you had one). You will also no longer fill out the old membership invoice form. This new software change will require some new steps on your part to get set up.

****Note – if your CalChiefs membership has not lapsed, you have an account in Wild Apricot. If you cannot remember the username and password, contact our office for assistance.****

If you are able to access the account, simply log in, review your profile for accuracy and update, as needed. Then click the button that says, “Renew to 07/01/2022” and jump to step #24 below.

If your membership has lapsed, here are step-by-step instructions on either joining or renewing. If you have any challenges, call our office at (916) 923-9455 or email our Executive Director at traceyhansen@calchiefs.org.
